

# SDG's Material – Traget

## SDG 1 – NO POVERTY

**Goal:** End poverty in all forms everywhere.

**Focus:** Eradicating extreme poverty, providing social protection, ensuring equal access to resources, and protecting vulnerable communities from economic shocks.

- **Target 1.1:** End extreme poverty everywhere  
Help families who don't have enough to eat or a place to live.
- **Target 1.2:** Cut poverty in half  
Make sure fewer people are poor in every community.
- **Target 1.3:** Set up social protection systems  
Give help like pensions and child support to people in need.
- **Target 1.4:** Ensure equal access to land, services, and tech  
Let everyone own land and use technology.
- **Target 1.5:** Reduce the impact of disasters and economic shocks  
Help poor people recover from floods or job loss.
- **Target 1.6:** Make policies that help poor and vulnerable people  
Make rules to protect people who have less.
- **Target 1.7:** Fund efforts to end poverty  
Collect money to run poverty-relief programs.

## SDG 2: Zero Hunger – Targets

**Goal:** End hunger and promote sustainable agriculture.

**Focus:** Access to nutritious food, ending malnutrition, supporting small-scale farmers, and improving agricultural productivity and sustainability.

- **Target 2.1:** Access to nutritious food  
Make sure all children have healthy meals.
- **Target 2.2:** End malnutrition  
Give nutrition help to sick or weak children.
- **Target 2.3:** Support small farmers  
Teach farmers how to grow more food.
- **Target 2.4:** Promote sustainable agriculture  
Use farming methods that save water and soil.
- **Target 2.5:** Protect crop diversity  
Keep old types of seeds safe.
- **Target 2.A:** Invest in agriculture  
Give money to farmers for better tools.
- **Target 2.B:** Ensure fair agricultural trade  
Help farmers sell crops fairly.
- **Target 2.C:** Stabilize food markets  
Stop food prices from going up too much.

## SDG 3 : GOOD HEALTH AND WELL-BEING

**Goal:** Ensure healthy lives and promote well-being.

**Focus:** Reducing maternal and child mortality, combating diseases, promoting mental health, universal health coverage, and access to medicines and vaccines.

- **Target 3.1:** Reduce deaths during pregnancy and childbirth  
Make childbirth safe for moms.
- **Target 3.2:** Prevent deaths of children under 5  
Make sure babies and kids grow up healthy.
- **Target 3.3:** Fight infectious diseases  
Stop diseases like AIDS and malaria.
- **Target 3.4:** Reduce deaths from chronic diseases and support mental health  
Teach about mental health and staying fit.
- **Target 3.5:** Stop substance abuse  
Help people quit drugs and alcohol.
- **Target 3.6:** Cut road injuries and deaths  
Wear helmets and seat belts to stay safe.
- **Target 3.7:** Ensure access to reproductive health and education  
Teach teens about their bodies and health.
- **Target 3.8:** Provide healthcare for everyone  
Let everyone see a doctor when needed.
- **Target 3.9:** Protect from pollution and hazardous chemicals  
Reduce breathing problems from smoke.
- **Target 3.A:** Enforce anti-tobacco policies (WHO Framework)  
Stop smoking with strict laws.
- **Target 3.B:** Support affordable vaccines and medicines  
Make vaccines and medicine affordable.
- **Target 3.C:** Fund and train health workers in poor countries  
Train more nurses and doctors in poor places.
- **Target 3.D:** Strengthen early warning for global health risks  
Get ready early for health emergencies.

## SDG 4: Quality Education

**Goal:** Ensure inclusive and quality education for all.

**Focus:** Free education, equal access to early and higher education, job-relevant skills, eliminating discrimination, and global citizenship education.

- **Target 4.1:** Free primary and secondary education for all  
Give free schooling to every child.
- **Target 4.2:** Equal access to quality early childhood education  
Start learning early with fun activities.
- **Target 4.3:** Affordable technical, vocational, and higher education  
Help everyone go to college or learn a job skill.
- **Target 4.4:** Increase relevant skills for jobs and success  
Teach computer and life skills.
- **Target 4.5:** Eliminate discrimination in education  
Stop treating students unfairly.
- **Target 4.6:** Achieve literacy and numeracy for all  
Help everyone learn to read and write.
- **Target 4.7:** Promote sustainable development and global citizenship  
Teach students about peace and the environment.
- **Target 4.8:** Build safe and inclusive learning environments  
Make schools safe and friendly.
- **Target 4.9:** Expand scholarships for developing countries  
Give scholarships to poor students.
- **Target 4.A:** Increase qualified teachers in developing nations  
Train more good teachers.

## SDG 5 : GENDER EQUALITY

**Goal:** Achieve gender equality and empower women and girls.

**Focus:** Ending discrimination and violence, promoting women's leadership and rights, and access to reproductive health and technology.

- **Target 5.1:** End discrimination against women and girls  
Treat boys and girls the same.
- **Target 5.2:** Stop violence and exploitation of women  
Stop hurting or abusing women.
- **Target 5.3:** End child marriage and genital cutting  
Stop hurting or abusing women.
- **Target 5.4:** Recognize and value unpaid care work  
Appreciate work done at home.
- **Target 5.5:** Ensure women's full participation in leadership  
Let women lead in offices and schools.
- **Target 5.6:** Ensure access to reproductive health and rights  
Teach girls about their health.
- **Target 5.7:** Give women equal rights to money and property  
Let women own land and businesses.
- **Target 5.8:** Use technology to empower women  
Use phones and internet to help women grow.
- **Target 5.9:** Make and enforce laws for gender equality  
Make sure laws support women's rights.

## SDG 6: CLEAN WATER AND SANITATION

**Goal:** Ensure availability of clean water and sanitation.

**Focus:** Access to safe water, sanitation services, water-use efficiency, pollution control, and community participation.

- **Target 6.1:** Provide safe and affordable drinking water  
*Give everyone clean drinking water.*
- **Target 6.2:** End open defecation and improve sanitation  
*Build toilets for every home.*
- **Target 6.3:** Treat wastewater and reuse it safely  
*Clean dirty water before releasing it.*
- **Target 6.4:** Use water more efficiently  
*Don't waste water while brushing or bathing.*
- **Target 6.5:** Manage water resources effectively  
*Take care of rivers and lakes.*
- **Target 6.6:** Protect water ecosystems  
*Save forests and wetlands.*
- **Target 6.7:** Support water services in developing countries  
*Help poor places build water systems.*
- **Target 6.8:** Involve communities in water and sanitation management  
*Involve everyone in saving water.*

## SDG 7 : AFFORDABLE AND CLEAN ENERGY

**Goal:** Ensure access to sustainable energy.

**Focus:** Universal access to modern energy, increase renewable energy use, energy efficiency, and support for clean energy technology.

- **Target 7.1:** Make modern energy available to everyone  
Connect all homes to electricity.
- **Target 7.2:** Use more renewable energy worldwide  
Use more solar and wind energy.
- **Target 7.3:** Improve energy efficiency twice as fast  
Turn off lights when not in use.
- **Target 7.4:** Support clean energy research and funding  
Support new inventions that save energy.
- **Target 7.5:** Improve energy systems in developing countries  
Bring clean energy to villages.

## SDG 8 : DECENT WORK & ECONOMIC GROWTH

**Goal:** Promote sustained economic growth and decent work.

**Focus:** Productive employment, innovation, fair wages, youth employment, safe working conditions, and sustainable tourism.

- **Target 8.1: Help countries grow with new jobs.**  
Help countries grow with new jobs.
- **Target 8.2:** Boost productivity through innovation  
Use machines and ideas to work smarter.
- **Target 8.3:** Create more jobs and support small businesses  
Open small shops and support workers.
- **Target 8.4:** Use resources more efficiently  
Reuse things instead of throwing away.
- **Target 8.5:** Ensure equal pay and full employment  
Pay men and women equally.
- **Target 8.6:** Help youth find jobs and training  
Teach teens job skills.
- **Target 8.7:** End forced labor and child labor  
Stop children from being forced to work.
- **Target 8.8:** Protect workers' rights and safety  
Make workplaces safe.
- **Target 8.9:** Promote sustainable tourism  
Grow eco-friendly tourism jobs.
- **Target 8.10:** Improve access to banking and finance  
Give people access to banks.
- **Target 8.11:** Support trade in developing countries  
Help poor countries trade fairly.
- **Target 8.12:** Build a global youth job strategy  
Create job plans for youth.

## SDG 9 : INDUSTRY , INNOVATION AND INFRASTRUCTURE

**Goal:** Build resilient infrastructure and promote sustainable industrialization.

**Focus:** Infrastructure access, eco-friendly industry, small business support, research, technology, and digital access.

- **Target 9.1:** Build safe, strong, and inclusive roads, transport, and infrastructure.

Build better roads and bridges.

- **Target 9.2:** Support fair and eco-friendly industrial growth for all.

Create industries that don't pollute.

- **Target 9.3:** Help small businesses get access to money and markets.

Help small businesses grow.

- **Target 9.4:** Make industries more eco-friendly and efficient.

Use clean machines in factories.

- **Target 9.5:** Invest in research and upgrade technology in all industries.

Support science and tech studies.

- **Target 9.6:** Help developing countries build sustainable infrastructure.

Help villages get good transport and power.

- **Target 9.7:** Support home-grown technology and diverse industries.

Use local materials and talents.

- **Target 9.8:** Give everyone access to internet and digital technology.

Give all students access to the internet.

## SDG 10 : REDUCED INEQUALITIES

**Goal:** Reduce inequality within and among countries.

**Focus:** Income equality, social and political inclusion, fair policies, migration safety, and giving a voice to developing countries.

- **Target 10.1:** Reduce income gaps between rich and poor.  
Help the poor earn more money.
- **Target 10.2:** Make sure everyone is socially, economically, and politically included.  
Include everyone in school and jobs.
- **Target 10.3:** Treat everyone equally and end unfair treatment.  
Treat everyone the same.
- **Target 10.4:** Use tax and social policies to reduce inequality.  
Use fair taxes to help people in need.
- **Target 10.5:** Make financial systems fair and well-regulated.  
Keep banks and money safe and fair.
- **Target 10.6:** Give developing countries a bigger say in global decision-making.  
Let poor countries join world decisions.
- **Target 10.7:** Create safe and well-managed rules for migration.  
Keep migrants safe when moving to new places.
- **Target 10.8:** Support developing countries with special help when needed.  
Support poor countries with special help.
- **Target 10.9:** Increase support and investments in least developed countries.  
Invest more in the least developed places.
- **Target 10.10:** Make it cheaper and easier for migrants to send money home.  
Make it easy to send money to families.

## SDG 11 : SUSTAINABLE CITIES AND COMMUNITIES

**Goal:** Make cities inclusive, safe, and sustainable.

**Focus:** Affordable housing, eco-transport, reducing disaster risk and pollution, inclusive urban planning, and protecting cultural heritage.

- **Target 11.1:** Provide safe and affordable homes for everyone.  
Give homes to everyone.
- **Target 11.2:** Create cheap and eco-friendly transport options for all.  
Make eco-buses and bike paths.
- **Target 11.3:** Make cities grow in a planned and inclusive way.  
Plan cities so they grow fairly.
- **Target 11.4:** Protect the world's cultural and natural treasures.  
Protect famous and natural places.
- **Target 11.5:** Reduce deaths and damage caused by disasters.  
Get ready for floods and earthquakes.
- **Target 11.6:** Reduce pollution and waste in cities.  
Keep cities clean and green.
- **Target 11.7:** Plan city growth to help both people and the environment.  
Build parks for all ages.
- **Target 11.8:** Create fair policies that save resources and reduce disaster risks.  
Create rules to protect people and resources.
- **Target 11.9:** Help poorer countries build strong and safe communities.  
Help cities in poor countries become safer.

## SDG 12 : RESPPNIBLE CONSUMPTION AND PRODUCTION

**Goal:** Ensure sustainable consumption and production.

**Focus:** Resource efficiency, reducing waste and food loss, eco-friendly practices, managing chemicals safely, and sustainable tourism.

- **Target 12.1:** Follow a global plan to use resources wisely and protect the planet.  
Follow global rules to reduce waste.
- **Target 12.2:** Use natural resources carefully so they last longer.  
Use natural things wisely.
- **Target 12.3:** Cut down food waste by half.  
Don't waste food at home or school.
- **Target 12.4:** Safely manage chemicals and waste to protect people and nature.  
Throw harmful waste properly.
- **Target 12.5:** Create less waste by reusing and recycling.  
Reuse and recycle school materials.
- **Target 12.6:** Motivate companies to use eco-friendly practices and share reports.  
Make businesses go green.
- **Target 12.7:** Buy products and services that don't harm the environment.  
Buy eco-friendly things
- **Target 12.8:** Teach people everywhere to live in eco-friendly ways.  
Teach kids to save and protect the Earth.
- **Target 12.9:** Help developing countries build green technologies and skills.  
Help poor countries use clean tech.
- **Target 12.10:** Track and manage how tourism affects sustainability.  
Track if tourism harms nature.
- **Target 12.11:** Remove unfair practices that cause overuse or waste of resources.  
Stop unfair trade and waste.

## SDG 13 : CLIMATE ACTION

**Goal:** Take urgent action on climate change.

**Focus:** Climate adaptation, integration into policies, education, capacity building, and supporting international agreements like the UNFCCC.

**Target 13.1:** Help countries prepare for and recover from climate disasters.

Help cities prepare for floods or heatwaves.

**Target 13.2:** Include climate change in national laws and plans.

Add climate actions in national plans.

**Target 13.3:** Educate and train people to understand and deal with climate change.

Teach students about global warming.

**Target 13.4:** Support the global climate change agreement (UNFCCC).

Support climate treaties.

**Target 13.5:** Build local skills for managing and planning climate actions.

Train people to act during climate disasters.

## SDG 14 : LIFE BELOW WATER

**Goal:** Conserve and sustainably use oceans and marine resources.

**Focus:** Reducing marine pollution, protecting ecosystems, responsible fishing, marine biodiversity, and supporting fishermen.

**Target 14.1:** Stop pollution in the ocean, especially from land-based sources.

Stop plastic from going into the sea.

**Target 14.2:** Protect and restore ocean and sea ecosystems.

Keep coral reefs and sea life safe.

**Target 14.3:** Reduce ocean acidification to protect marine life.

Stop pollution that harms ocean animals.

**Target 14.4:** Use fishing methods that don't harm the oceans.

Fish in ways that don't harm oceans.

**Target 14.5:** Protect coastal and marine areas.

Create sea parks to protect nature.

**Target 14.6:** Stop harmful subsidies that lead to overfishing.

Don't pay for overfishing.

**Target 14.7:** Use the ocean's resources wisely to boost local economies.

Use the ocean to help local economies.

**Target 14.8:** Increase science, research, and technology for healthier oceans.

Do more ocean research.

**Target 14.9:** Help and support small-scale fishermen.

Support small fishermen.

**Target 14.10:** Make sure international sea laws are followed.

Follow global sea laws.

## SDG 15 : LIFE ON LAND

**Goal:** Protect ecosystems, forests, and biodiversity.

**Focus:** Prevent deforestation, land degradation, protect wildlife, and promote sustainable land and forest use.

- **Target 15.1:** Protect and restore land and water ecosystems.  
Protect trees and lakes.
- **Target 15.2:** Stop deforestation and bring back damaged forests.  
Plant trees where forests are gone.
- **Target 15.3:** Stop land from turning into deserts and restore dry lands.  
Stop land from drying up.
- **Target 15.4:** Protect and preserve mountain ecosystems.  
Keep mountains clean and safe.
- **Target 15.5:** Save biodiversity and protect wildlife habitats.  
Save wild animals and plants.
- **Target 15.6:** Share the benefits of genetic resources fairly.  
Share benefits from using nature.
- **Target 15.7:** Stop illegal hunting and trading of endangered animals.  
Stop illegal hunting.
- **Target 15.8:** Prevent harmful non-native species from damaging nature.  
Control harmful plants and animals.
- **Target 15.9:** Include nature protection in all government plans.  
Add nature care to every plan.
- **Target 15.10:** Increase funding to protect ecosystems and biodiversity.  
Fund forest and animal projects.
- **Target 15.11 :**Support sustainable forest management with rewards.  
Reward sustainable forest projects.
- **Target 15.12:** Fight against wildlife poaching and illegal animal trade.  
Fight animal smuggling

## SDG 16 : PEACE, JUSTICE AND STRONG INSTITUTIONS

**Goal:** Promote peaceful societies and strong institutions.

**Focus:** Reducing violence, access to justice, stopping corruption and illegal trafficking, and inclusive decision-making.

**Target 16.1:** Make the world safer by reducing all kinds of violence.

Stop fights and violence.

**Target 16.2:** Protect children from abuse, trafficking, and violence.

Keep children safe from harm.

**Target 16.3:** Make sure everyone has access to fair laws and justice.

Let everyone get fair justice.

**Target 16.4:** Stop illegal money and weapons from spreading.

Stop illegal weapons and money flow.

**Target 16.5:** Fight against corruption and bribery.

Say no to bribes and cheating.

**Target 16.6:** Build honest and transparent governments.

Build honest governments.

**Target 16.7:** Make sure decisions include everyone and are fair.

Let people join in decision-making.

**Target 16.8:** Help all countries have a voice in world decisions.

Let all countries help make world rules.

**Target 16.9:** Give everyone a legal identity, like a birth certificate.

Give every child a birth certificate.

**Target 16.10:** Ensure people can access information and express their rights.

Let people speak freely.

**Target 16.11:** Make national institutions stronger to stop violence and terrorism.

Make police and laws stronger.

**Target 16.12:** Make sure laws and rules are fair to everyone.

Ensure laws are fair for all.

## **SDG 17 : PARTNERSHIPS FOR THE GOALS**

**Goal:** Strengthen global partnerships for sustainable development.

**Focus:** Finance, technology, trade, capacity building, data sharing, and international cooperation for achieving the goals.

**Target 17.1:** Help countries collect more money through better tax systems.

Help countries collect fair taxes.

**Target 17.2:** Rich countries should give the promised aid to poor countries.

Rich countries give aid to poor ones.

**Target 17.3:** Find more money and resources to help developing countries.

Find money to support good projects.

**Target 17.4:** Support poor countries in managing and reducing their debt.

Help poor countries manage debt.

**Target 17.5:** Encourage investment in the world's poorest countries.

Invest in very poor nations.

**Target 17.6:** Share knowledge and technology globally.

Share ideas and tools worldwide.

**Target 17.7:** Share eco-friendly technologies with developing countries.

Give eco-friendly tech to poor countries.

**Target 17.8:** Build science and technology skills in the poorest countries.

Train poor countries in science and tech.

**Target 17.9:** Help developing countries improve their sustainable goals work.

Help them work on sustainable goals.

**Target 17.10:** Make trade easier and fairer for all countries.

Make trade simple and equal.

**Target 17.11:** Increase exports from developing countries.

Support exports from poor nations.

**Target 17.12:** End taxes on products from the least developed countries.

Remove tax on poor country goods.

**Target 17.13:** Support economic stability around the world.

Keep the world's economy stable.

**Target 17.14:** Make sure all policies support sustainable development.

Make sure laws support sustainability.

**Target 17.15:** Respect each country's own development plans.

Respect countries' own growth plans.

**Target 17.16:** Work together globally to achieve development goals.

Team up to reach the goals.

**Target 17.17:** Support teamwork between governments, businesses, and others.

Join governments, companies, and schools together.

**Target 17.18:** Improve the quality and access to important data.

Improve how we collect and use data.

**Target 17.19:** Create better ways to track progress on development goals.

Create new ways to check progress.
